Thanks for the heads-up Sarah. I will leave Greg a voicemail message to give him a heads-up about what to expect at the meeting.

Subject: Information Summary document

Hi Sarah,

The attached document is the Dewey-Burdock Tribal Consultation information bullets and talking points with Douglas's comments incorporated, except for one comment wondering if we should try to limit the meeting agenda topics to those related to UIC and NHPA. That is something we can discuss at our Thursday meeting. My thoughts were that by including Tribes in setting the agenda, we can find out ahead of time what the topics will be so we can be prepared to speak to whether it is in the scope of our actions or if it is addressed by another agency.

If you have any edits, please let me know & I will be glad to make them. If not, would you forward this on to Darcy, please?

Thanks!
